TO WHOMSOEVER IT MAY CONCERN

This letter is made in response to the request made from your side regarding the performance of Fairdeal Marine Services. I am writing this letter of reference favoring FAIRDEAL MARINE SERVICES LLC who was been our valued Oil Spill Response service provider as well as sales of Oil Spill response equipment for the past three years. They are ISO (9001:2008; 14001:2004; OHSAS 18001:2007) accredited in the line of their activities and offer high quality services and competent rates. It is our pleasure in recommending them as a company to do business with.

We wish them good luck for a bright future.
