The Fairdeal family is grateful, as have been awarded last year, 2020 with the subject award.

We appreciate and are proud of the recognition, of the Regional maritime industries, for our long-standing and continuous contribution to the environmental protection of the seas and shores.

Since 1985, Fairdeal has developed environmental services based on the slogan:

**Save our Seas**

We would like to thank our principals, the local authorities and the maritime industry for the trust and recognition they have awarded us and we would like to assure that we will continue to offer our environmental services, based on our three principles:

**Safety - Quality – Innovation**
